Week 3 - 2nd Post	Fast Fashion	Let's discuss fast fashion, and why it's not only an environmental issue but a feminist issue as well.	https://drive.google.c om/drive/folders/1M EMs0FkgowDIX97V S2V4BWUifLesiHS5 ?usp=sharing
Week 3 - 3rd Post	Cali Wildfires + Indigenous Tribes	For millennia, indigenous peoples in North America and around the world have practiced controlled, deliberate burns. Native Americans' controlled fires may have prevented catastrophic forest fires like the ones we see now by progressively eliminating flammable material from the ground.	https://drive.google.c om/drive/folders/10B SbDGSGj6G46lop_b EE7EsURC1KU9rL? usp=sharing
Week 4 - Post 1	Dakota Access Pipeline	The Dakota Access Pipeline runs through Standing Rock Sioux land and across the Missouri River, providing drinking water and irrigation water to millions of Americans. Despite the fact that their ancestral lands and sacred sites were destroyed during construction, the tribe was not contacted during the planning or approval of the project.	https://drive.google.c om/drive/folders/1On jq9-Ue9FTaQ1Es4qh WWiuW8wRz9veP? usp=sharing
